

When I  
was a kid,  
I once  
visited a  
friend's  
house  
to play.

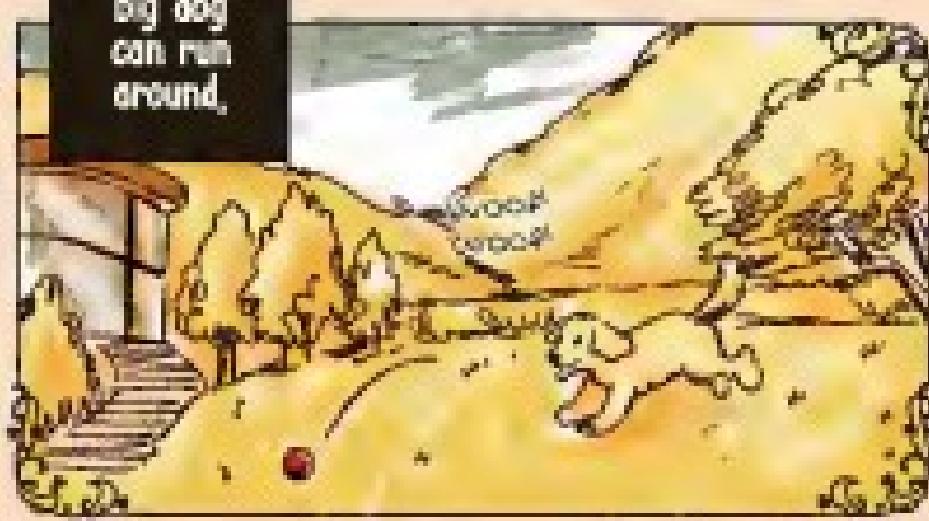

They had a  
very lovely  
house.

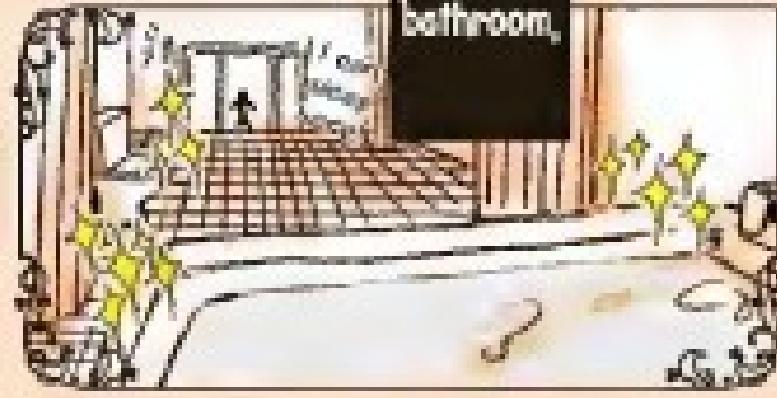

I want to live in

a house like that,  
too," I thought.

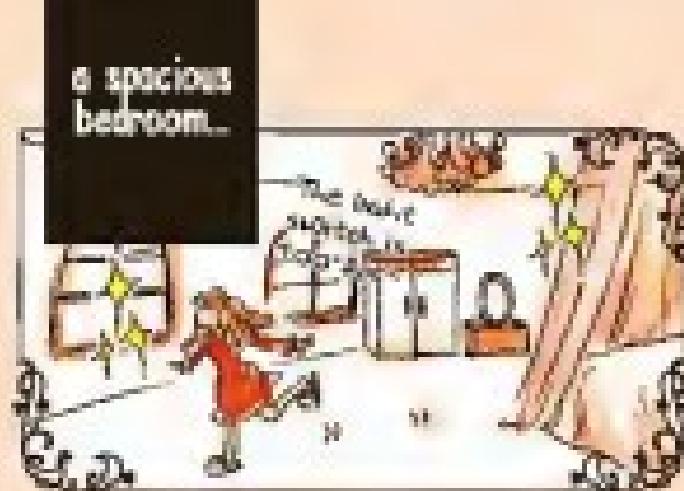

A huge  
garden  
where my  
big dog  
can run  
around.

a  
palace-like  
bathroom.

a spacious  
bedroom...

On days  
with good  
weather,

I eat

delicious cookies  
for testime

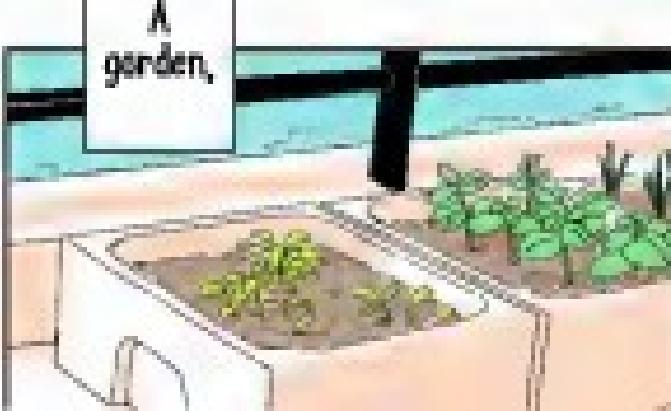

and have a  
pleasant chat  
with a Prince...

The every  
day life of  
a fairy tale  
protagonist...

And

just as I  
wished

A  
garden,

pets...

A  
bath-  
room,

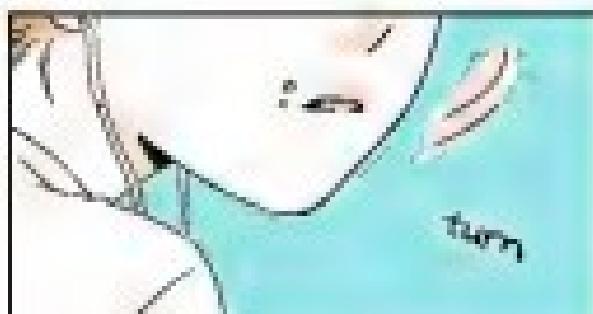

and  
my own  
room.

on days  
with good  
weather...

Having  
fun  
teatimes
